**Dr Carlo Acerini (1962-2019),  
University Senior Lecturer, University of Cambridge  
Consultant Paediatrician (Endocrinology & Diabetes),  
Addenbrooke's Hospital**

An Academic Symposium to celebrate the life and career of Carlo Acerini comprising talks and recollections from Carlo's family, many friends and colleagues.

The proceedings will be recorded and available after the date but we would like as many people as possible to dial in on the day and if possible make their own contribution.

Please save the date in your diary and register [via this link](#) if you wish to join us on the day. You will be emailed in due course with further details on how to access the online Symposium.

For further information, please contact Vicky Stevens, Senior Secretary, Department of Paediatrics ([vas47@medschl.cam.ac.uk](mailto:vas47@medschl.cam.ac.uk)).
