

BSPED Research Narrative – Leeds Childrens Hospital

Research Strengths

- Large tertiary centre with many rare and common conditions
- Undertake NIHR supported studies with appropriate R+D and nursing support
- All 4 consultants have MD or PhD

Studies

- Registry Studies (XLH, Increlex)
- DMD studies (eg Scot DMD study, in collaboration with Glasgow)
- GH Reversal study due to commence
- Contribution to national case series for various conditions (eg CHI / DSD)
- British OsteoNEcrosis Study (looking at bone health in young people with ALL/ LBL)
- Hoping to open NATESTO study for boys with hypogonadotropic hypogonadism (led by Glasgow)
